Plant early and in full sun, five inches deep,
five or six to a foot of row.

IRRIGATE WELL BEFORE AND DURING BLOOM

Description and Terms

ALGONQUIN—Brilliant scarlet red.

BURMA—Heavily ruffled rose, and can also be called a purple red, an outstanding popular favorite.

BENGASI—Marvelous huge ruffled pink. Has won many Glad Show awards.

CARIOCA—Orange color. Huge vigorous plants, developing largest of all bulbs.

CORONA—Picotee edged cream. The ladies' favorite.

CANDY HEART—Clear flesh pink, with large blotch of light carmine, a ladies choice.

ETHEL CAVE-COLE—Pure light pink, sometimes flecked. About the best all-around cut flower of them all.

ELIZABETH the QUEEN—Lavender, a must have for all growers.

FAIR ANGEL—Cream white, and increasingly popular for a cutting white.

HERITAGE—Exhibition pink, with a grand spike of many open. Often ten or twelve florets at once, all in good condition.

LEADING LADY—Well named white and cream cut flower commercial, a must have for all gardens.

LANTANA—Orange and gold. A very striking novelty, sure to please.

MISS WISCONSIN—A superior rose color of large florets. The rose color of good size growers need.

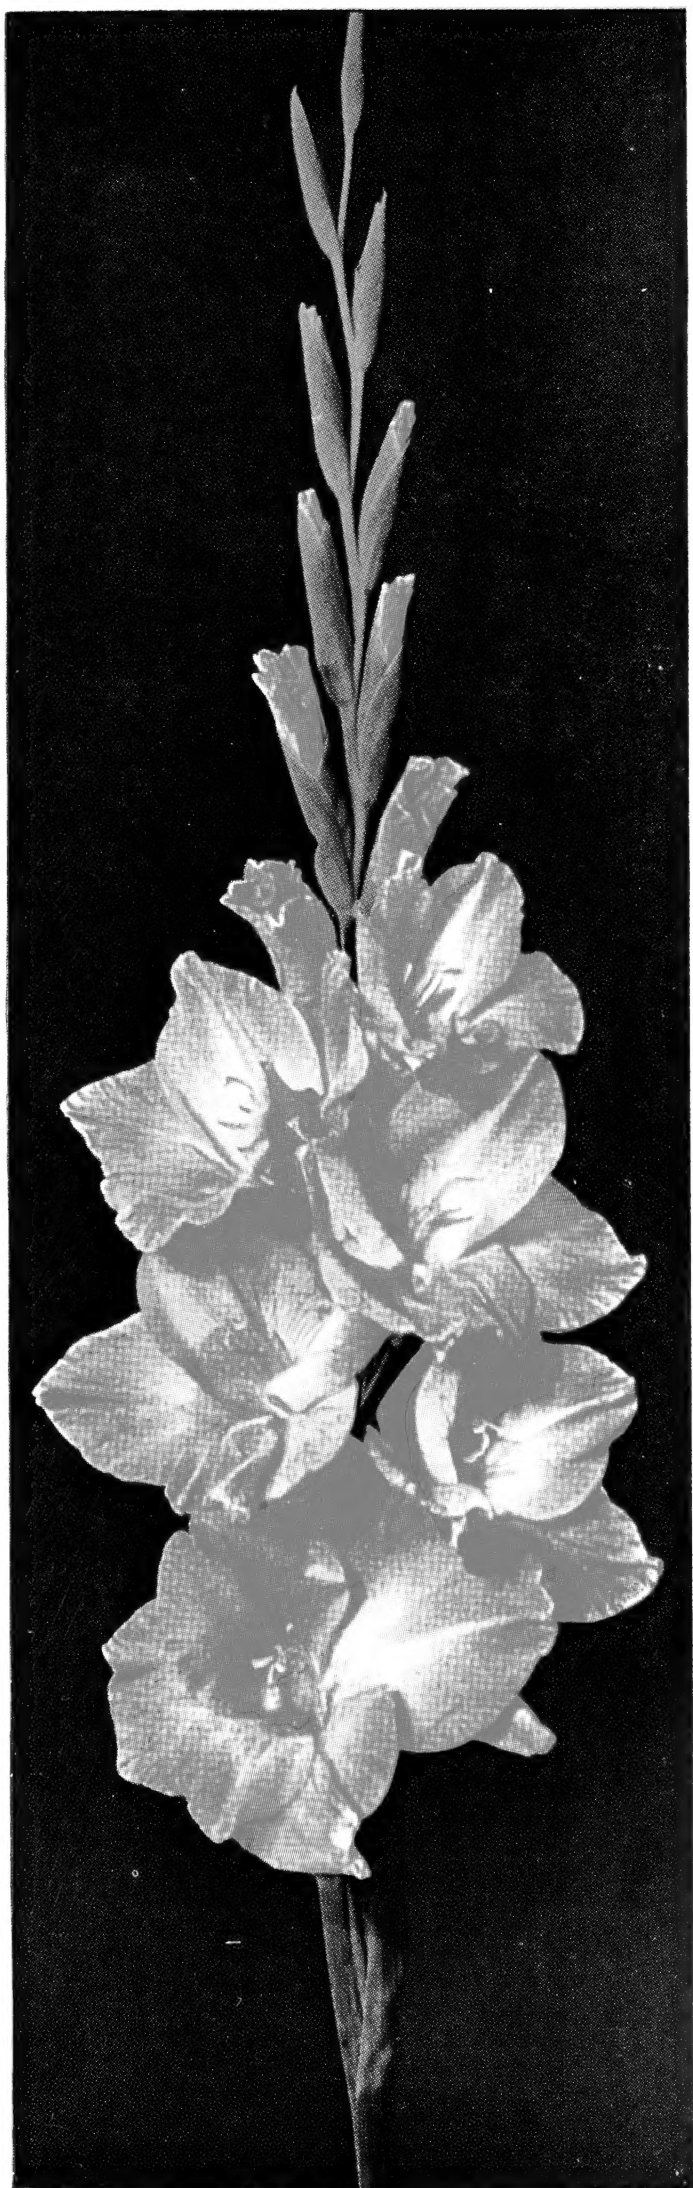

MARTHA DEANE—The tall yellow much acclaimed.

ORIENTAL PEARL—THE WONDER GLAD. Immense cream florets. Straight, tall, fast growing. No garden complete without this top-flight gladiolus.

PANDORA—Clear soft geranium pink. Free bloomer, and a beautiful variety for the cut flower market. This will increase its popularity by its merits.

RED CHARM—Red, will soon be the most popular fully accepted cutting red. Excellent exhibition merits. Expensive now, and worth its cost.

STOPLIGHT—Brilliant clear red, an all-around flashy bouquet maker.

CARIOCA

VANGOLD—The early true golden yellow we have wanted for a long time. Enough said. It satisfies.

WHITE GOLD—The giant cream money maker. Much advertised, and much admired.

All bulbs preconditioned for normal resting period, after complete fumigation in a modern insulated warehouse.

Orders taken subject to prior sale, for only for the full amount of our crop produced.

Oregon State Certificate of Inspection attached to all packages.

TERMS—Payment in full before shipment, excepting old customers, for whom we generally pack in extra bulbs, or include a free sample of some new choice variety for trial.

An additional cost charge of 10 per cent is necessary if orders booked early are to be held for late spring shipment.

Orders booked in rotation shipped express collect.

EXHIBITION SPECIAL

My Selection

15 bulbs from each of 7 colors blended, in one cloth bag, 105 big bulbs \$3.85.
